GUIDING FAMILIES HOME

2015 Annual Report

gateway180

Homelessness Reversed

With your help we can end family homelessness and create a new vision of the future for our children.

1

HISTORY

Founded in 1977, Gateway180's mission is to empower adults and families to become independent and permanently housed.

2

FAMILY MATTERS

As the largest residential emergency shelter in the state of Missouri, Gateway180 keeps families together, accepting all members, including teenage boys and dads.

3

HOME ADAPTABILITY

Through case management and our supportive housing and empowerment programs we move families to sustainable employment and permanent housing.

4

CHILDREN ARE THE FUTURE

In 2015, we served nearly 3,000 clients, 55.2% of whom were children.

5

WORKING TOGETHER

Gateway180's vision to end family homelessness in the St. Louis community is only possible with a wide network of partners and resources working together.

6

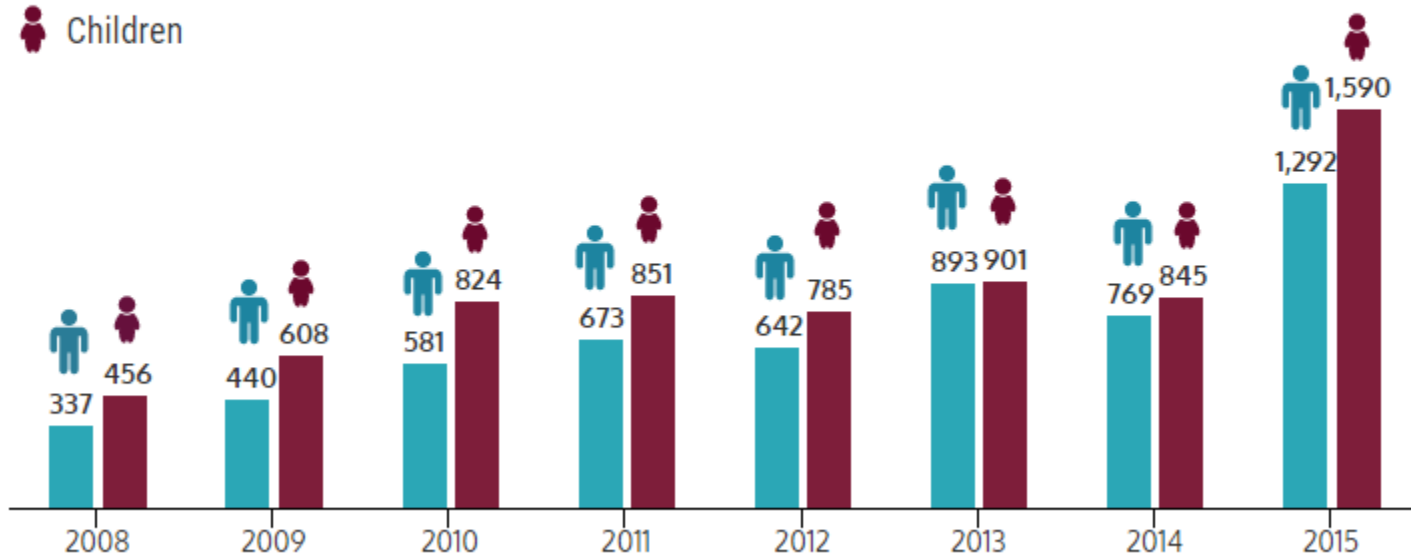

BE A PART OF THE SOLUTION

Gateway180 relies on people for their gifts of time, treasure and talent, and we make sure we're good stewards of these gifts that are shared with us.

THANK YOU

Thank you for your support and dedication to our mission and to making life better for the families that we serve. We're so grateful for every single financial contribution to Gateway180 in 2015. Your donations remind us that we're not alone, that we're surrounded and supported by a community that cares, by a community that wants, as much as we do, to end homelessness for women, children and families of St. Louis.
