

**GATEWAY180 EMPOWERS ADULTS AND
FAMILIES TO BECOME INDEPENDENT AND
PERMANENTLY HOUSED**

39 YEARS

servicing women, children and families experiencing homelessness

Empowerment

Our agency has been serving women, children and families experiencing homelessness for 39 years. Gateway180 works with outstanding partners to provide families with basic needs, case management, health services and access to critical resources to develop life skills. The path from homeless to "home again" can be overwhelming and confusing. With hard work, support from their case manager and community resources, every Gateway180 family can help themselves to achieve permanent housing.

Respect

Our vision is to end family homelessness in the St. Louis community. We do this through compassion, pragmatism, dignity, respect, empowerment, choice, partnership and accountability. This is possible thanks to partnerships with a strong network of agencies, public funders and the generosity of St. Louis area donors and volunteers.

Independence

Success in our housing programs is measured in a variety of ways, with some outstanding achievements along the way: daughters who receive full scholarships to Columbia University and 9-year old boys who win writing contests. In addition to great success stories, we monitor achievements throughout the program to measure such things as acquiring and maintaining employment, maintaining housing, advancing education and effectively managing expenses. The goal: to help families become independent so that they can sustain their families in housing and keep their families together.

SUPPORT OUR *Life Safety Campaign!*

.....

REDUCE YOUR MISSOURI TAX LIABILITY & HELP THE WOMEN AND CHILDREN OF GATEWAY180!

.....

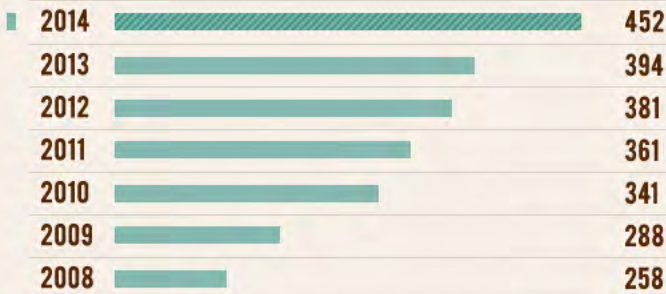

The purchase of NAP Tax Credits can reduce your State of MO tax liability by 50% of the amount of your donation; This is in addition to the federal and state deduction that applies to all charitable gifts.

Our building is over 90 years old, and while we do fire drills and have fire extinguishers throughout the space, now is the time to make sure that the temporary home we share with our clients is as safe as can be. The Gateway180 Life Safety Campaign will help us to update our facilities to meet today's fire codes and fire suppression requirements.

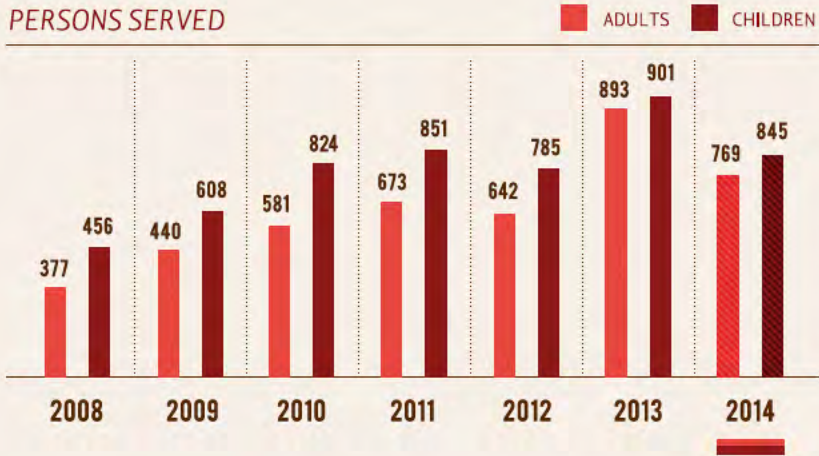

HELP US PROVIDE A SAFE AND PRODUCTIVE SPACE FOR FAMILIES EXPERIENCING HOMELESSNESS!

**TO LEARN MORE ABOUT OUR LIFE SAFETY CAMPAIGN, PLEASE CONTACT:
KATHY CONNORS AT 314.231.1515 EXT.24, KCONNORS@GATEWAY180.ORG.**

THANK YOU!

We're so grateful for every single financial contribution to Gateway180 :: Homelessness Reversed in 2014. We're grateful because we need the financial assistance, and we're grateful because donations remind us that we're not alone, that we're surrounded and supported by a community that cares, by a community that wants, as much as we do, to reverse homelessness for women, children and families in St. Louis.

2014 VOLUNTEERS

Volunteers play a critical role in supporting Gateway180's mission. Our goal is to develop relationships with individuals, groups and organizations in the greater St. Louis area interested in helping to meet the needs of women, children and families experiencing homelessness in our community.

In 2014, over 10,000 volunteers, as individuals and groups, joined our team and donated over 4,500 hours of service, assisting with children's activities, meal preparation, workshops and presentations, computer classes, special events and more. In addition, 41 volunteer groups provided at least 10,000 brown bag lunches throughout the year.

Thanks to those who help us better serve our families every day!
